Key Highlights

Strong EPC play and Multiple Projects

- Diversified client profile across multiple verticals – Industrial Capex, & opex projects
- Ability to forge technical partnerships with leading Industrial companies on project specific consortium basis

EPC General Construction to Lead Future Growth

- 100% Leading Saudi based company in general construction at Petrochemical Company's
- Capacity of SR 500,000,000.00 – 1,000,000,000.00 potential revenue
- 95% Material procure from local market

Al-Dossary's Background and Strong Management Team

- Abdullah Faleh Al-Dossary Sons Contracting Co. Ltd. Since 1980, Mr. Hamad Abdullah Al-Dossary Embarked upon a common objective to make it to the top with prime future on progress

Strong Order Book and Financial Performance

- 3-year revenue of 120% and 117% respectively
- Reputed and diversified client base from the petrochemical companies

About Us

A Saudi Arabian, Professionally Managed Construction Solutions group, Established in 1980.

The Company providing services for Turnkey Engineering Projects under the Projects Division and providing on a continual basis. Our General Maintenance services in various engineering disciplines, such as Civil, Mechanical, Electrical, Instrumentation, Fire and Safety Engineering in the domain of Refineries, Petro-chemical plants and Residential Housing Complexes. Al-Dossary's Construction solutions are known for Innovation, Creativity, Planning and Effective Operations Management .

With a crew consisting of Engineers Civil, Mechanical, Electrical/Instrument, Safety Engineers/officers, welders, pipe fitters, fabricators (Pipe & Structures), plumbers, RTR technicians, heavy equipment operators, Mason, carpenters, steel fixers and other skilled certified by Saudi Aramco craftsmen blasting painting with through field experience and knowledge of projects standards & specification.

Vision & Mission

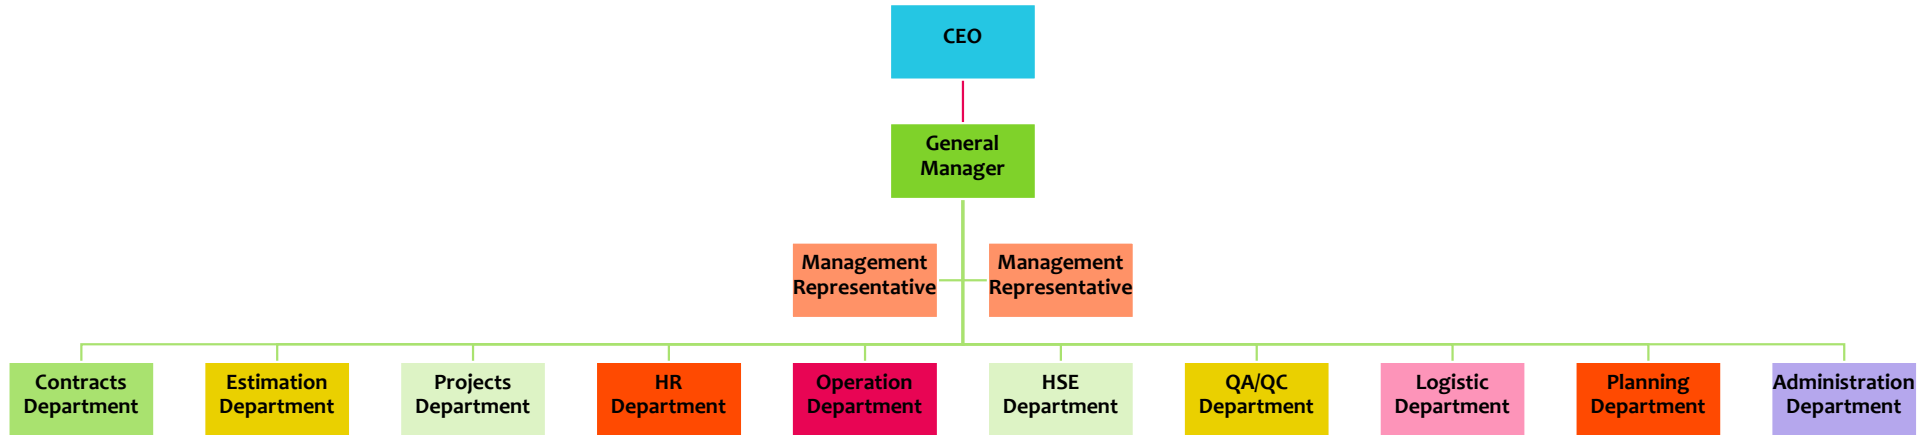

We deliver more than your expectation

VISION - To be the most acclaimed Construction Business House in the Middle East. To be the Most Preferred Business Partner and providing Total Client Satisfaction by developing and adapting our quality, engineering and safety standards to the varying complexities of projects, in a humane and resilient environment

MISSION - To deliver unique turnkey Engineering Projects and related services with cutting edge technology, with an emphasis on Safety for Men, Materials & Machinery. Building Trust and Confidence, by delivering on all commitments to Clients and becoming the most favored organization to work with professionals.

Corporate Structure

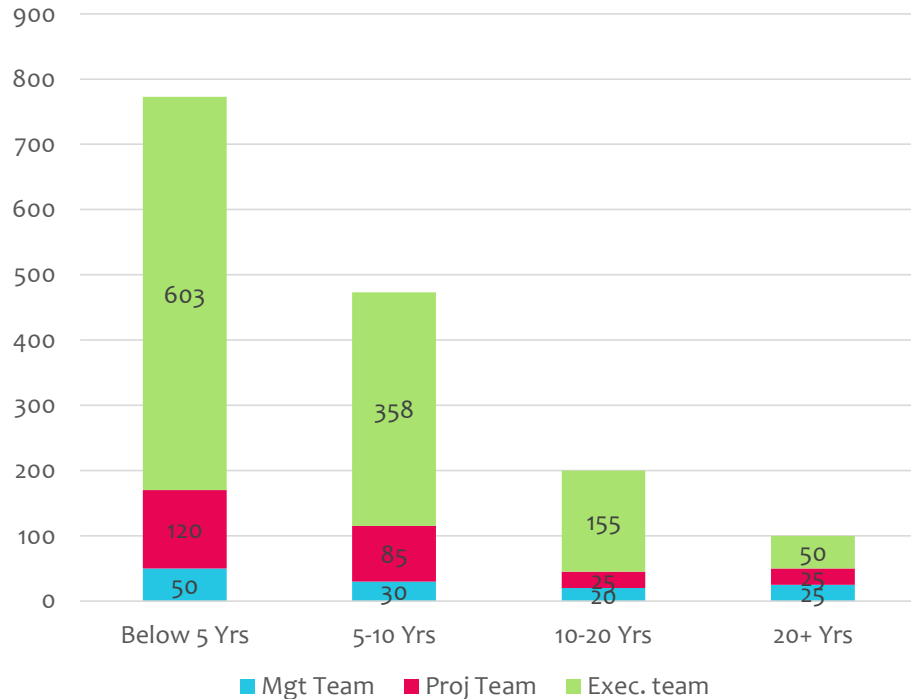

Experienced Management Team

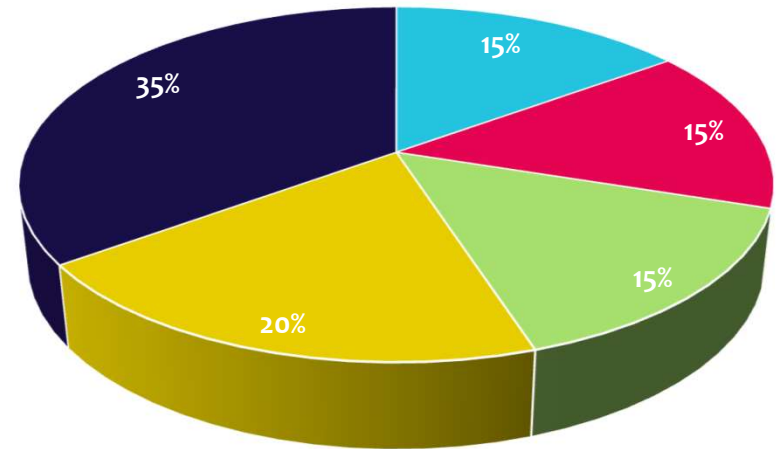

Name	Designation	Area of Expertise
Mr. Hamad A. F. Al-Dossary	CEO	Owner
Mr. Mohammed Riaz Mohiuddin	General Manager	More than 29 Years of Experience in Construction
Mr. Syed Ather Feroz	Management Rep.	More than 29 Years of Experience in Civil Construction
Mr. Mohammed Rizwan Shaik	Management Rep.	More than 20 Years of Experience in Mech. Construction
Mr. Vinod N. C.	Project Manager	More than 20 Years of Experience in Civil Construction
Mr. Vijaya Kumar Ummathyala	Project Manager	More than 20 Years of Experience in Civil Construction
Mr. Dinesh Rayan	Project Manager	More than 15 Years of Experience in Mech. Construction
Mr. Narendra Sharma	Project Manager	More than 12 Years of Experience in Mech. Construction
Mr. Rifad Mohammed	Project Manager	More than 14 Years of Experience in Civil Construction
Mr. Krishna Kumar	Project Manager	More than 12 Years of Experience in Civil Construction
Mr. Aijaz Ali Shaikh	QA/QC Manager	More than 25 Years of Experience as QA/QC
Mr. Fahad Al-Hadi	HR Manager	More than 10 Years Experience in HR
Mr. Khalid Ahmed	Finance Manager	More than 15 Years of Experience in Accounts
Mr. Ahamed Imran	Estimation Lead	More than 14 Years of Experience in Estimation
Mr. Sreekanth Gandepalli	Safety Lead	More than 15 Years of Experience in Civil Construction

Health & Safety Policy

Safety is our Responsibility

- *Al - Dossary considers the occupational safety and health of its staff, as a prime imperative. Al - Dossary strives to achieve the highest degrees of occupational safety and health standards in order to eliminate any work-related accidents or illness.*
- *In addition to standard health and safety policies, a vital step in Al – Dossary’s planning and control of each project, is to determine the job conditions at each site and the hazards that may arise out of performed work, materials, or special site conditions and to set specific site procedures for eliminating these hazards, such as the use of appropriate barriers and fencing on-site or the enforced utilisation of appropriate protection equipment such as hard hats, respirators, fire resistant clothing, safety shoes or safety glasses.*

Quality Policy

Quality is not an Act, it is our Habit

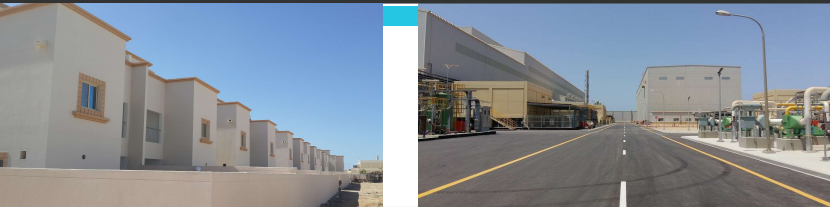

- *Al - Dossary is fully committed to achieving Total Customer Satisfaction by delivering error-free turnkey Construction Projects related services on time at the right price. The processes and controls implemented will guarantee first time right functioning. We will ensure that Services offered to our Internal & External Customers in the Middle East Countries, will meet or exceed their expectations. Quality, Continual Improvement and Customer Satisfaction are the personal responsibility of each member of the Company, in our endeavor to become a Top-Class Organization.*

Compliance Policy

We Adhering Your Standards & Rules

- *AI - Dossary adheres to strict quality management standards in order to achieve Clients' Total Satisfaction and at the same time, complies with relevant regulations, while ensuring that quality encompasses all aspects of work in offices, sites, workshops and facilities.*
- *Stringent standards of quality are continuously pursued by AI - Dossary, making sure that all staff members and subcontractors maintain the same, in order to ensure that mutual objectives are fully met or exceeded, and continuously improved. Where appropriate, specific quality objectives have been established, performance against these objectives will be constantly monitored on a continual basis.*

Manpower Details

Manpower is a critical resource of all projects. Our manpower is well trained in various industrial projects and client work focused on all times.

Engineers

- Civil Engineer (25 no's)
- Mechanical Engineer (15 no's)
- Electrical Engineer (7 no's)
- Instrumentation Engineer (5 no's)
- Planning Engineer (6 no's)
- Estimator / Cost Engineer (6 no's)
- QA /QC Engineer (Various Disciplines) (20 no's)
- Erection Engineer (5 no's)
- HVAC Engineer (2 no's)

HSE

- HSE Engineer (2 no's)
- Safety Officer (30 no's)

Inspectors and Supervisors

- Civil Supervisor (30 no's)
- Mechanical Supervisor (12 no's)
- Instrumentation Supervisor (2 no's)
- Painting Supervisor (12 no's)
- Electrical Supervisor (6 no's)
- Scaffolding Inspector (4 no's)
- Scaffolding Supervisor (6 no's)
- Quantity Surveyor (6 no's)
- Estimator (4 no's)
- Welding Inspector (AWS certified) (4 no's)
- Painting Inspector (BGAS certified) (6 no's)

Other Category

- Certified Welder (6g, 3g, TIG) (35 no's)
- Fabricator - Pipe (18 no's)
- Fabricator – Structural (12 no's)
- Steel /Equipment Erector (8 no's)
- Pipe Fitter (34 no's)
- Mill Wright (2 no's)
- HVAC Technician (6 no's)
- Riggers (Aramco / TUV Certified) (8 no's)
- H.E. Operator (Aramco / TUV Certified) (14 no's)
- L.E. Operator (Aramco / TUV Certified) (12 no's)
- Administrative staff (28 no's)
- Material Expeditor (4 no's)
- Electrician (Industrial/ Residential) (38 no's)
- Instrumentation Technician (6 no's)
- Metal Man (34 no's)
- Mason (84 no's)

Other Category

- Tile/Marble Fixer (58 no's)
- Roof Ceiling Worker (32 no's)
- Mason - Block & Plastering worker (23 no's)
- Carpenter Shuttering (56 no's)
- Carpenter Finishing (28 no's)
- Steel Fixer (48 no's)
- Abrasive Blaster (Certified) (28 no's)
- Industrial Spray Painter (Certified) (28 no's)
- Scaffolder (39 no's)
- Painter – Wall (48 no's)
- Hydroblaster (6 no's)
- H. Duty Driver (16 no's)
- L. Duty Driver (12 no's)
- Plumber (Industrial/ Residential) (26 no's)
- Shotcrete Applicator (6 no's)
- Hand Digger (42 no's)
- Timekeeper (6 no's)
- Laborer – General (221 no's)
- Laborer – Mechanical (76 no's)
- Laborer – Civil (140 no's)

Equipment Details

Our professional staff with large fleet of vehicles/equipment support the projects to comply with the stringent working standards and regulations for the most discerning customers.

- Crane - 100 ton (1 no.)
- Crane - 80 ton (1 no.)
- Crane – 55 ton (2 no's)
- Crane – 35 ton (2 no's)
- Loader – 966 / 924 (8 no's)
- Backhoe / Loader - 428 (3 no's)
- Excavator / Hydraulic Breaker (2 no's)
- Skid Loader (8 no's)
- Vibratory Roller - 10 ton (2 no's)
- Roller - 2 ton (5 no's)
- Roller - 1 ton (10 no's)
- Compactor (Plate) (20 no's)
- Compactor (Rammer type) (25 no's)
- Forklift - 10 ton (2 no's)
- Forklift - 5 ton (4 no's)
- Forklift – 3 ton (4 no's)
- Telescope Forklift - 4 ton (5 no's)
- Concrete Mixer - 1-1/2 bags (8 no's)
- Cutter – Concrete / Asphalt (8 no's)
- Guniting / Shotcrete Machine (4 no's)
- Welding Machine – 400/500 amps (35 no's)
- Oxy / Acetylene Gas Cutting Set (26 no's)
- Argon Welding Set (24 no's)
- Generator – 139 KW (2 no's)
- Generator – 90 KW (2 no's)
- Generator – 75 KW (3 no's)
- Generator – 51 KW (4 no's)
- Generator – 39 KW (6 no's)
- Generator – 18 KW (5 no's)
- Generator – 10 KW (6 no's)
- Air Compressor – 850 CFM (8 no's)
- Air Compressor – 750 CFM (11 no's)
- Air Compressor – 375 CFM (15 no's)
- Air Compressor – 185 CFM (16 no's)
- Water Tanker – 36000 liters (1 no.)
- Water Tanker – 12000 liters (2 no's)
- Water Tanker – 8000 liters (1 no.)
- Vacuum Tanker/ Super Suckers (1 no.)
- Fuel Tanker – 12000 liters (1 no.)
- Dump Truck – 30 m³ (2 no's)
- Dump Truck – 18 m³ (6 no's)
- Flat Bed Trailer – 45 ton (1 no.)
- Flat Bed Trailer – 25 ton (1 no.)
- Blasting Machine – 200 liters (30 nos)
- Hydro Jet Machine 3500psi (2 no's)
- Airless Spray Paint Machine - 56:1 (17 no's)
- Road Marking Paint Machine (1 no.)
- Dewatering Pump - 6" / 4" (10 no's)
- Grader - G12 (1 no.)
- Bundle Puller (2 no's)
- Man Lift - 32 m (1 no.)

127	Rabigh Bulk Plant expansion Project. Construction of 92 diameter diesel tank foundation pipe support/sleepers & loading base & associated Civil works.	RABIGH	Saudi Aramco - Rabigh	Feb-10	Nov-11
128	Expansion of pneumatic conveying project. Includes the 140 ton Structural Steel foundation work for 3 (80m dia, 24 m ht) Silos and all pipeline work related to it.	YANBU	Natpet- GSBI	Jul-10	Jul-11

Major Projects Completed

S.No	Contract Title & Brief Description of Work	Location	Client	Award Date	Scheduled Comp. Date
129	Relocation of Topping Plant from Al-Muajjiz Terminal to Yanbu Refinery. Includes 160 ton Structural Steel works to hold boilers, finfans and other pump skids	YANBU	Saudi Aramco-Yanbu Refinery	Nov-10	May-11
130	Emergency Walkway and Access Ladder Installation for over head crane at GTG Building. 212 ton steel fabrication work over 380 m length at 12 m height	YANBU	Marafiq (Power & Water Utility Co)	Jan-11	Nov-11
131	Civil, Mechanical, electrical works for the Cristal Expansion Project. Includes 147 ton structural steel fabrication & erection.	YANBU	Shaw Stone & webster Arabia Ltd.	May-06	Jun-10
132	Construction of Tank Ring wall. (Includes Civil works at Yanbu Cement Company	YANBU	Yanbu Steel Company - Yanbu Cement Company (YCC)	Aug-09	Dec-10
133	Construction of Fire Walls and Drainage System for Nine Electrical Substations at NGL Plant, Yanbu.	YANBU	Saudi Aramco-Yanbu Gas Plant /NGL	Oct-09	Dec-10
134	Construction of RC-3 Warehouse. Includes Civil, Mechanical - Structural fabrication & erection, Fire Protection, E & I Works	YANBU	Marafiq (Power & Water Utility Co)	Mar-08	Jun-09
135	Propane Line from Saudi Aramco NGL to Yansab. Procurement, Construction, Testing & Commissioning of Propane Gas Metering Skids inside NGL, including all Civil, Mechanical, E & I Works.	YANBU	SABIC - YANSAB	May-08	May-09
136	Construction of Tank Ringwall Foundation for Storage Tank, 72.60 Diameter.	YANBU	Marafiq - Yanbu Steel Company.	Jan-09	Sep-09
137	Replace berth #93 cable trays & paint fire system pipe	YANBU	Saudi Aramco-Yanbu Refinery	Mar-09	Aug-09
138	Construction New sanitary Treatment Plant : Construction, Testing & Commissioning of New STP, including all Civil, Mechanical, E & I Works.	RABIGH	Petro Rabigh	Feb-07	Mar-08
139	Construction of Warehouse # WR 563. Includes Civil, Mechanical - Structural fabrication & erection, E & I Works	RABIGH	Petro Rabigh	Aug-07	Apr-08

A photograph of an industrial facility, likely a refinery or chemical plant. The foreground is dominated by a long, covered walkway with a metal frame structure supported by numerous vertical posts. The ground is gravel. In the background, there are various industrial structures, including pipes, tanks, and buildings under a clear blue sky.

Key Highlights

Strong EPC play and Multiple Projects

- Diversified client profile across multiple verticals – Industrial Capex, & opex projects
- Ability to forge technical partnerships with leading Industrial companies on project specific consortium basis

EPC General Construction to Lead Future Growth

- 100% Leading Saudi based company in general construction at Petrochemical Company's
- Capacity of SR 500,000,000.00 – 1,000,000,000.00 potential revenue
- 95% Material procure from local market

Al-Dossary's Background and Strong Management Team

- Abdullah Faleh Al-Dossary Sons Contracting Co. Ltd. Since 1980, Mr. Hamad Abdullah Al-Dossary Embarked upon a common objective to make it to the top with prime future on progress

Strong Order Book and Financial Performance

- 3-year revenue of 120% and 117% respectively
- Reputed and diversified client base from the petrochemical companies

About Us

A Saudi Arabian, Professionally Managed Construction Solutions group, Established in 1980.

The Company providing services for Turnkey Engineering Projects under the Projects Division and providing on a continual basis. Our General Maintenance services in various engineering disciplines, such as Civil, Mechanical, Electrical, Instrumentation, Fire and Safety Engineering in the domain of Refineries, Petro-chemical plants and Residential Housing Complexes. Al-Dossary's Construction solutions are known for Innovation, Creativity, Planning and Effective Operations Management .

With a crew consisting of Engineers Civil, Mechanical, Electrical/Instrument, Safety Engineers/officers, welders, pipe fitters, fabricators (Pipe & Structures), plumbers, RTR technicians, heavy equipment operators, Mason, carpenters, steel fixers and other skilled certified by Saudi Aramco craftsmen blasting painting with through field experience and knowledge of projects standards & specification.

Vision & Mission

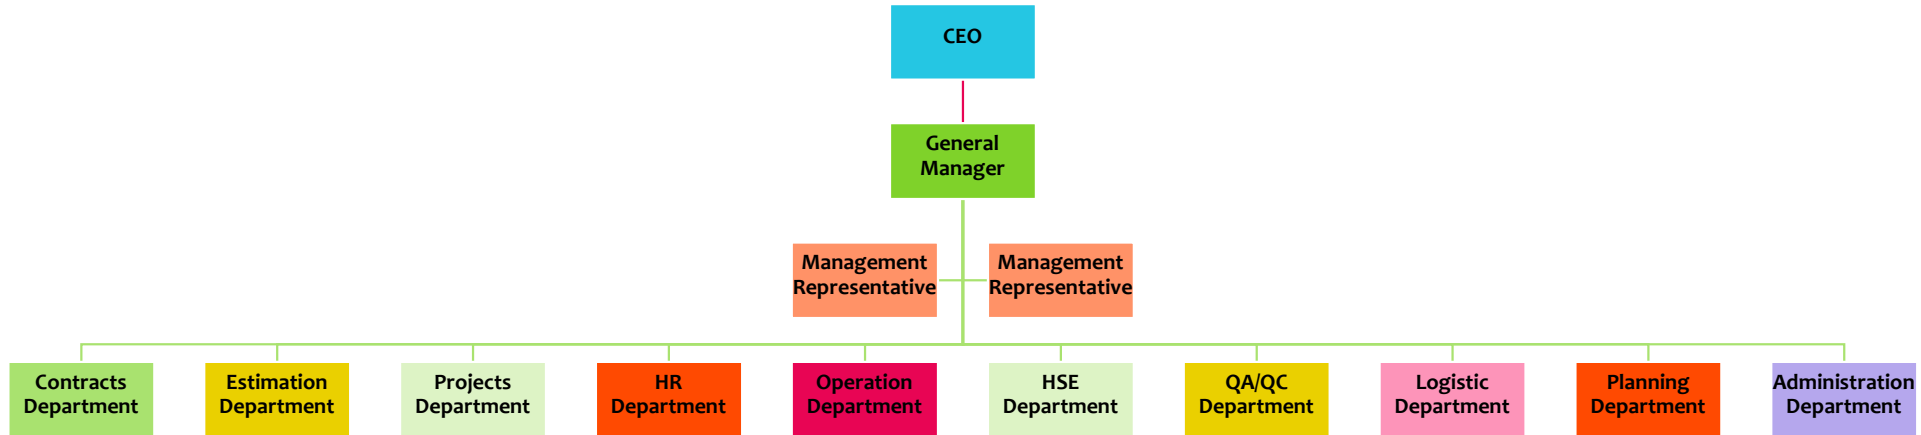

We deliver more than your expectation

VISION - To be the most acclaimed Construction Business House in the Middle East. To be the Most Preferred Business Partner and providing Total Client Satisfaction by developing and adapting our quality, engineering and safety standards to the varying complexities of projects, in a humane and resilient environment

MISSION - To deliver unique turnkey Engineering Projects and related services with cutting edge technology, with an emphasis on Safety for Men, Materials & Machinery. Building Trust and Confidence, by delivering on all commitments to Clients and becoming the most favored organization to work with professionals.

Corporate Structure

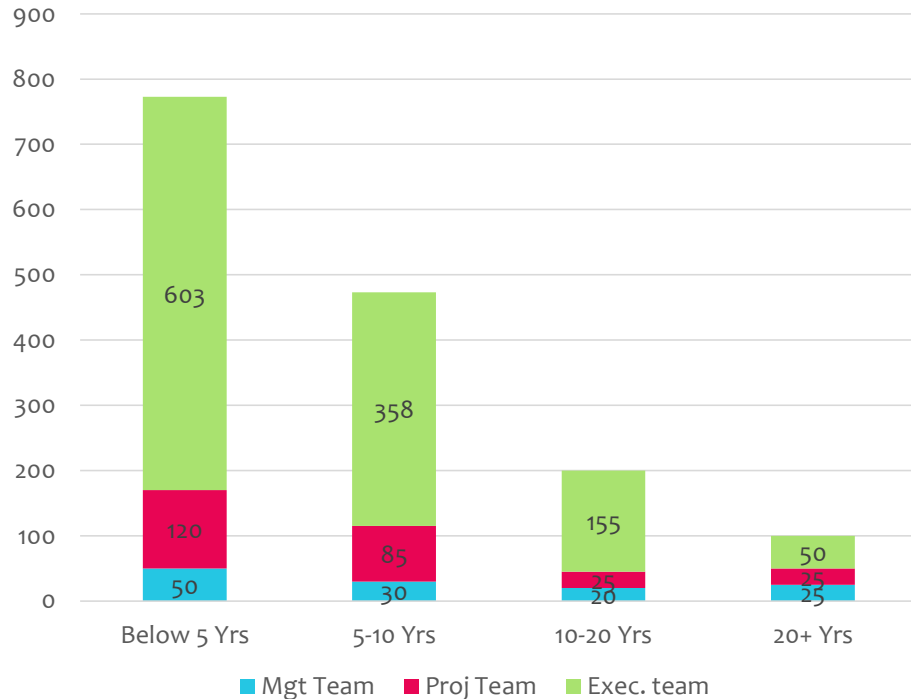

Experienced Management Team

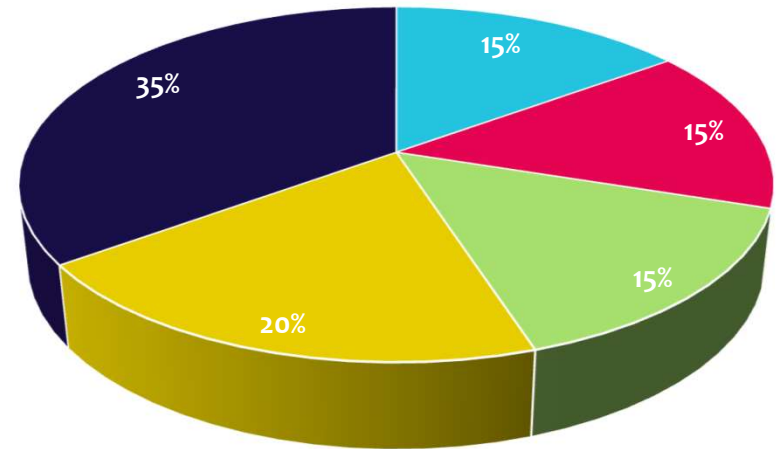

Name	Designation	Area of Expertise
Mr. Hamad A. F. Al-Dossary	CEO	Owner
Mr. Mohammed Riaz Mohiuddin	General Manager	More than 29 Years of Experience in Construction
Mr. Syed Ather Feroz	Management Rep.	More than 29 Years of Experience in Civil Construction
Mr. Mohammed Rizwan Shaik	Management Rep.	More than 20 Years of Experience in Mech. Construction
Mr. Vinod N. C.	Project Manager	More than 20 Years of Experience in Civil Construction
Mr. Vijaya Kumar Ummathyala	Project Manager	More than 20 Years of Experience in Civil Construction
Mr. Dinesh Rayan	Project Manager	More than 15 Years of Experience in Mech. Construction
Mr. Narendra Sharma	Project Manager	More than 12 Years of Experience in Mech. Construction
Mr. Rifad Mohammed	Project Manager	More than 14 Years of Experience in Civil Construction
Mr. Krishna Kumar	Project Manager	More than 12 Years of Experience in Civil Construction
Mr. Aijaz Ali Shaikh	QA/QC Manager	More than 25 Years of Experience as QA/QC
Mr. Fahad Al-Hadi	HR Manager	More than 10 Years Experience in HR
Mr. Khalid Ahmed	Finance Manager	More than 15 Years of Experience in Accounts
Mr. Ahamed Imran	Estimation Lead	More than 14 Years of Experience in Estimation
Mr. Sreekanth Gandepalli	Safety Lead	More than 15 Years of Experience in Civil Construction

Health & Safety Policy

Safety is our Responsibility

- *Al - Dossary considers the occupational safety and health of its staff, as a prime imperative. Al - Dossary strives to achieve the highest degrees of occupational safety and health standards in order to eliminate any work-related accidents or illness.*
- *In addition to standard health and safety policies, a vital step in Al – Dossary’s planning and control of each project, is to determine the job conditions at each site and the hazards that may arise out of performed work, materials, or special site conditions and to set specific site procedures for eliminating these hazards, such as the use of appropriate barriers and fencing on-site or the enforced utilisation of appropriate protection equipment such as hard hats, respirators, fire resistant clothing, safety shoes or safety glasses.*

Quality Policy

Quality is not an Act, it is our Habit

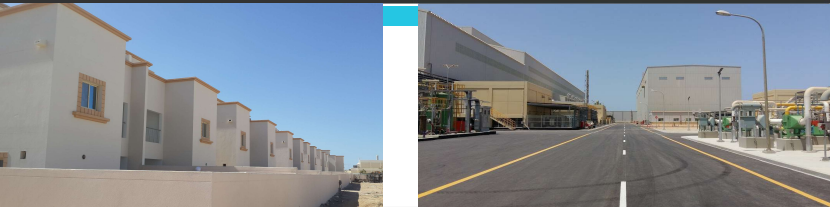

- *Al - Dossary is fully committed to achieving Total Customer Satisfaction by delivering error-free turnkey Construction Projects related services on time at the right price. The processes and controls implemented will guarantee first time right functioning. We will ensure that Services offered to our Internal & External Customers in the Middle East Countries, will meet or exceed their expectations. Quality, Continual Improvement and Customer Satisfaction are the personal responsibility of each member of the Company, in our endeavor to become a Top-Class Organization.*

Compliance Policy

We Adhering Your Standards & Rules

- *Al - Dossary adheres to strict quality management standards in order to achieve Clients' Total Satisfaction and at the same time, complies with relevant regulations, while ensuring that quality encompasses all aspects of work in offices, sites, workshops and facilities.*
- *Stringent standards of quality are continuously pursued by Al - Dossary, making sure that all staff members and subcontractors maintain the same, in order to ensure that mutual objectives are fully met or exceeded, and continuously improved. Where appropriate, specific quality objectives have been established, performance against these objectives will be constantly monitored on a continual basis.*

Manpower Details

Manpower is a critical resource of all projects. Our manpower is well trained in various industrial projects and client work focused on all times.

Engineers

- Civil Engineer (25 no's)
- Mechanical Engineer (15 no's)
- Electrical Engineer (7 no's)
- Instrumentation Engineer (5 no's)
- Planning Engineer (6 no's)
- Estimator / Cost Engineer (6 no's)
- QA /QC Engineer (Various Disciplines) (20 no's)
- Erection Engineer (5 no's)
- HVAC Engineer (2 no's)

HSE

- HSE Engineer (2 no's)
- Safety Officer (30 no's)

Inspectors and Supervisors

- Civil Supervisor (30 no's)
- Mechanical Supervisor (12 no's)
- Instrumentation Supervisor (2 no's)
- Painting Supervisor (12 no's)
- Electrical Supervisor (6 no's)
- Scaffolding Inspector (4 no's)
- Scaffolding Supervisor (6 no's)
- Quantity Surveyor (6 no's)
- Estimator (4 no's)
- Welding Inspector (AWS certified) (4 no's)
- Painting Inspector (BGAS certified) (6 no's)

Other Category

- Laborer – Civil (140 no's)

Equipment Details

Our professional staff with large fleet of vehicles/equipment support the projects to comply with the stringent working standards and regulations for the most discerning customers.

- Crane - 100 ton (1 no.)
- Crane - 80 ton (1 no.)
- Crane – 55 ton (2 no's)
- Crane – 35 ton (2 no's)
- Loader – 966 / 924 (8 no's)
- Backhoe / Loader - 428 (3 no's)
- Excavator / Hydraulic Breaker (2 no's)
- Skid Loader (8 no's)
- Vibratory Roller - 10 ton (2 no's)
- Roller - 2 ton (5 no's)
- Roller - 1 ton (10 no's)
- Compactor (Plate) (20 no's)
- Compactor (Rammer type) (25 no's)
- Forklift - 10 ton (2 no's)
- Forklift - 5 ton (4 no's)
- Forklift – 3 ton (4 no's)
- Telescope Forklift - 4 ton (5 no's)
- Concrete Mixer - 1-1/2 bags (8 no's)
- Cutter – Concrete / Asphalt (8 no's)
- Guniting / Shotcrete Machine (4 no's)
- Welding Machine – 400/500 amps (35 no's)
- Oxy / Acetylene Gas Cutting Set (26 no's)
- Argon Welding Set (24 no's)
- Generator – 139 KW (2 no's)
- Generator – 90 KW (2 no's)
- Generator – 75 KW (3 no's)
- Generator – 51 KW (4 no's)
- Generator – 39 KW (6 no's)
- Generator – 18 KW (5 no's)
- Generator – 10 KW (6 no's)
- Air Compressor – 850 CFM (8 no's)
- Air Compressor – 750 CFM (11 no's)
- Air Compressor – 375 CFM (15 no's)
- Air Compressor – 185 CFM (16 no's)
- Water Tanker – 36000 liters (1 no.)
- Water Tanker – 12000 liters (2 no's)
- Water Tanker – 8000 liters (1 no.)
- Vacuum Tanker/ Super Suckers (1 no.)
- Fuel Tanker – 12000 liters (1 no.)
- Dump Truck – 30 m³ (2 no's)
- Dump Truck – 18 m³ (6 no's)
- Flat Bed Trailer – 45 ton (1 no.)
- Flat Bed Trailer – 25 ton (1 no.)
- Blasting Machine – 200 liters (30 nos)
- Hydro Jet Machine 3500psi (2 no's)
- Airless Spray Paint Machine - 56:1 (17 no's)
- Road Marking Paint Machine (1 no.)
- Dewatering Pump - 6" / 4" (10 no's)
- Grader - G12 (1 no.)
- Bundle Puller (2 no's)
- Man Lift - 32 m (1 no.)
